and stay ahead of the competition

***Ex-Im Bank's new MT Express product will make your next export transaction a success!***

MT Express lets lenders approve medium-term transactions under Ex-Im's insurance or guarantee programs quickly and simply. Essentially, Ex-Im Bank allows lenders to underwrite the buyer's credit. In turn, Ex-Im commits a rapid turnaround (2-days) and covers 95% of the risk.

The many benefits of this new export financing product gives participating lenders a competitive edge in supporting exporters:

- ✓ Rapid turnaround (2-days)
- ✓ \$1 million cap
- ✓ Delegated functions to you, and
- ✓ Greater satisfaction for your exporters

MT Express is bound for success. To qualify, an existing lender just has to book three medium-or long-term transactions within two years. So,....
